

Solutions used:

JJI-Rafters Glulam Beams

Client:

Skylark House

Location:

Scottish Highlands

Services provided:

- Design
- Manufacture

Project overview:

A 460m² countryside house with a swimming pool and panoramic views over the Highlands.

Product benefits:

- Quicker and easier to install than a solid timber set
- Squeak free joists - structurally efficient profile also provides flat floors and ceilings
- High strength to weight ratio

“It was great to be involved in such a brilliant project. The collaboration between the whole team involved worked really well from the start and has resulted in stunning home in a stunning location.”

David McDonald,
Pasquill Senior Designer,
